### **Order Processing, Shipping Costs & Terms:**

1.)

All units are shipped by the manufacturer by Fedex, UPS standard US or DHL international, which ever is applicable.

2.)

All shipping costs including customs and other applicable international duties shall be calculated by AIC or its authorized representative (e.g., [www.exhaust-gas-analyzer.com](http://www.exhaust-gas-analyzer.com)) once the customer has submitted a firm order form and the customer will be notified of these charges that they will be responsible upon delivery by email. All shipments will be insured for total amount of goods sold + shipping and custom duties.

3.)

Customers paying by bank transfer or check in advance, will be notified by email with a final invoice that includes all base equipment costs along with shipping and customs duty charges. The total amount on this invoice is the amount that the customer must pay to complete the order. Do not remit payments until this invoice is received.

4.)

Online payment options via PayPal shopping cart, is intended for US and Canadian retail customers only and constitutes full prepayment for products and shipping only (additional customs duties fees may be applicable for Canadian customers). US and Canadian customers, who order by fax, must pay by company check or guaranteed cashier's check/ money orders. Buyer and seller may arrive at separate terms for subsequent orders at AIC's option.

5.)

Customers choosing to pay by check, may be required to pay by cashier's checks unless otherwise agreed upon by buyer and seller. Deliveries to customers choosing to pay by check will not be shipped until payment is received and processed.

6.)

Standard payment terms for international retail customers are as follows:

All 1st order payments in advance by bank transfer or guaranteed money (cashier's check/ money orders) (\$35.00 banking fee applies), or PayPal. Buyer and seller may arrive at separate terms for subsequent orders at AIC's option.

7.)

All payments company check or guaranteed money (cashier's check/ money order) are to be made payable to Automated Industrial Controls. Orders must be initiated, approved and invoiced by AIC's authorized representatives (e.g., [www.exhaust-gas-analyzer.com](http://www.exhaust-gas-analyzer.com)) prior to sending payment.

Automated industrial Controls LLC

## Shipping, Repair & Warranty Terms & Conditions

11.)

Lead-times, shipping turnaround:

The lead-time, for custom manufacture and shipping will be provided to the customer by email invoice, along with total equipment and shipping costs. Typically, lead times for custom manufacture are 3-5 weeks US & Canada, (pending production capacity and the options selected) and shipping times from 2 to 5 business days US & Canada, and up to 10-15 business days for international shipments. Lead-time and shipping turnaround are subject to change. Customers will be notified by email of any changes due to circumstances outside the control of Automated Industrial Controls.

Warranties, Repairs, Software Upgrades:

12.)

AIC warrants to the original purchaser, that AIC brand products are free from defects in materials and workmanship for a period of 90 days from date of purchase. Our sole obligation for a product within the above warranties will be to repair or replace, at our option, any defective parts and return the product to the sender within the USA shipping pre-paid, if sent with proof of purchase and shipping paid to AIC paid in full.

The above warranty does not include sensors or other material that may become contaminated or damaged in shipping or abuse by the customer.

International customers seeking a return or repair of their units, or options, must bear the cost of all shipping and customs & duties both to and from AIC, as well as any applicable replacement or repair labor costs not covered by the warranty. All customers must receive a return authorization number for returns and place it on the outside of each shipment package, or repair submissions or AIC will refuse the shipment. All returns or repair shipments must be packed in accordance with the shippers specifications and insured for the value of the unit. No returned product will be accepted without prior assignment of a Return Authorization Number (RA#), by AIC or its authorized representatives (e.g., [www.exhaust-gas-analyzer.com](http://www.exhaust-gas-analyzer.com)). AIC or its representatives shall not be held responsible for return to the customer of returned product shipped without a valid return authorization number. **(RA# clause applies to all US & Canadian customers as well).**

### EXTENDED SERVICE POLICY

An AIC brand product less than one year old according to the date of manufacture and is returned with transportation charges prepaid TO: AIC, will be repaired, replaced, at factory option for a service fee not to exceed 40% of the latest factory suggested user price; plus return transportation. This does not include sensors or other parts that may be contaminated. If the product has been discontinued then this service policy does not apply. A valid return authorization number must be assigned for all returns (see 12.)

This warranty and Extended service agreement does not apply to products which have been altered outside the factory; or repaired by anyone other than the factory or an authorized service center; or which may be damaged from accidents, negligence, or abuse or have been used differently than described in the printed instructions. All consumable items, such as filters, sensors, etc. are not covered by this warranty or

extended service agreement.

4

AIC's sole liability and buyer's exclusive remedy is limited to repair or replacement of the product as stated in the Limited Product Warranty and Extended Service Policy.

**THERE ARE NO OTHER WARRANTIES EXPRESSED OR IMPLIED INCLUDING THE MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND AIC SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING FROM THE SALE OR USE OF THIS PRODUCT.**

13.)

Units are warranted for 90 days parts and labor and 1 year (labor only) and does not include sensors. The customer shall be responsible for all return and forward repair shipping costs. Sensors are designed to exceed the 1 year warranty and should not fail, except via abuse by the customer. Customers will be notified by email if sensor replacement is necessary along with costs once returned units have been evaluated and prior to effecting repairs.

14.)

All warranties are null and void if it is determined that the unit has damage due to repair shipping with inadequate shock protection and the return shipment is uninsured. In this event the customer will be notified by email of the terms from repair and forward shipment of the repaired unit.

15.)

All warranties are null and void in the event that it is determined that damage or failure is do to user abuse, or by use in any manner not prescribed by the technical manual. In this event the customer will be notified by email of the terms from repair and forward shipment of the repaired unit.

16.)

In the Continental US and Canada, customers have a 30 day no cause return policy, beginning with the receival date of the order, at AIC's option. A 10% restocking fee applies and a return authorization number must be assigned to the customer by an authorized dealer or AIC, or the return offer is void. The products must arrive in like new condition and free from damage or abuse. The customer will pay shipping for all returned products. All return authorization numbers must be displayed on the shipping container. The initial purchase, shipping charges and merchant banking fees where applicable, are not subject to the refund.

International customers are subject to the same 30 day return terms except the restocking fee is 15%.
